

# Safety is standard

Embassy TechVillage, Embassy Manyata and Embassy TechZone have achieved a 5 star rating from the British Safety Council for Occupational Health and Safety.

## What does this mean for you?

With this 5 star rating, you can rest assured that our office parks have the foremost health and safety management systems and associated arrangements in place. Some of the key practices in place at our office parks are:

### Effective Workplace Management

- Efficient housekeeping and maintenance of buildings and common areas by ESPL Operational teams
- Appropriate sanitary conveniences provided with regular cleaning and inspection
- Ample food court area with adequate seating and choice of outlets

### Safety at Workplace

- Round-the-clock on site security using 197 CCTV cameras, monitored by personnel with walkie talkies to expedite response time
- Emergency response plans with arrangements for both natural and manmade situations
- Health and safety programs employed in collaboration with clients

### Fire Safety Management

- Fire alarm systems, sprinkler protection and fire hydrants in all offices and PA systems within the emergency escape stairwells
- Emergency response protocols and fireman's lifts for rescue
- Fire exit signs and route signage provided in all buildings with luminous tape and handrails

### Traffic and Transport Management

- Clearly demarcated pedestrian footpaths with crossing points
- Best parking practices encouraged
- Volume of traffic reduced using cycles and car-share schemes
- Traffic controllers from ESPL Security teams help better manage traffic movements

Undertaking and excelling in the British Safety Council's Occupational Health and Safety Audit has yet again proved our commitment to building and nurturing the best working environments for all our park users. Which is why Embassy Office Parks is **where the world comes to work.**

**WHERE THE WORLD COMES TO WORK**
